### **DETAILED ACTION**

1. Claims 9-to-24 are pending in the application.
2. Claims 1-8 have been canceled.

### ***Allowable Subject Matter***

3. Claims 9-24 and re-numbered as claims 1-16 are allowable over the prior art of record because the cited references do not contain the specified limitations of a frequency offset detecting method comprising: detecting first phase information in a one-symbol difference of phase information for a received known signal; detecting second phase information in a two-symbol difference of phase information for the received known signal; determining half a value representing the second phase information; and averaging a value representing the first phase information with the determined half value.

### ***Conclusion***
